RE: POST HURRICANE HARVEY UPDATE & FEMA TAX INFORMATION REQUESTS

The appraisal district/tax office is open for business! We were able to reopen on Tuesday, September 5th. Our office received no interior water or wind damage. No equipment damage has been detected. Mail service has been interrupted as has everyone's.

Currently we do not have telephone service, but we do have email service. The telephone service should be up by the 11th of September at the latest per information provided by the telephone company.

We have been receiving a number of requests for copies of tax statements or proof indicating that taxes are being paid on property for individuals applying for aid from FEMA. Please be advised that this information is readily available on our website. Just click on "Property Search," enter owner name, press search, select the appropriate property and click "view details," then click "Tax Due" located at the bottom of the page. You should be able to "right click" and print all the information you need. We are also happy to provide this information upon request for those who come by the office or requests by email at no charge to the owner.

Please contact us should you have any questions or concerns regarding tax payments or appraisal information that you may need.

Respectfully,

Jesse W. Hubbell
Chief Appraiser
